Legion Auxiliary Honors Teachers

The American Legion Auxiliary held a reception last Thursday evening to honor county teachers, members of the Appomattox Education Association. Shown standing around the refreshment table are Mrs. Charles Moses, Jr., vice-president of the second and fourth districts, Legion Auxiliary; Mrs. Shearer Robertson, local president of the Legion Auxiliary; DeWitt Evans, president of the county School Board; Earl Smith, county school superintendent; Frank Chuchek, AHS principal, and John McLean, Pamplin Elementary School principal and president of the Appomattox Education Association.

Altavista Nips Rebels

by Walter H. Carson

The Altavista High School Colonels closed out their season last Monday night with a close 12-7 victory over the Appomattox Rebels. It was the Rebels last game also. The Rebels ended the season with a 7 won 3 loss mark and showed much promise for another year.

The Colonels, completely throttled in the first half, broke into the scoring column early in the third quarter. Choppy Chapman smared a Jimmy Torrence pass on the Altavista 25 and raced 85 yards to put the Colonels out in front to stay. Early in the fourth quarter the Colonels were at it again. This time on a sustained drive that covered 50 yds. Fullback Campbell went over from the 7 yard line, making the score 12-0 in favor of Altavista.

In the waning moments of the game, the never-say-die Rebels posted over their only score of the night.

A Whitehead pass to Smith for 7 yards got the Rebels their only score. A Whitehead pass to Wilcox netted the extra point.

The Rebels dominated the first half offensively as time after time they drove deep in Colonel territory but were never able to get into the end zone.

We think Coach Gordon Bragg is due a great deal of credit for the tremendous job that he has done this year. The boys, we know, have worked long and diligently to have turned in such a remarkable record this year.

Only 3 Games Lost

The Rebels lost three games by a total of 15 points.. (14-6), (14-12), (12-7).

Parents Buy Books Tonight

All during this past week elementary children of Appomattox have had an opportunity to see the latest in books — paper backs, hard covers, adventure, art, history and science, and everything else imaginable in the realm of good reading. The occasion is Book Week, and the annual Book Fair.

Today, tonight, and tomorrow, parents will have the opportunity to order the books their children like best. Mrs. Marvin Herncall, PTA library chairman and her committee will be taking orders before and after the evening program tonight. Parents may also send checks or cash with their children to school tomorrow (Friday) to pay for book orders.

If the books are to be a Christmas present, Mrs. Herncall will make provisions to be sure that they are a "surprise", she stated. Some books are most inexpensive, she added, costing as little as 50 cents and $1.00.

Children's Program Tonight

Tonight local grade school children will dress up as story book characters to be the chief attraction for the PTA meeting. All 7 grades will participate.

County Board Approves Loan Application

The County Board of Supervisors, meeting Wednesday, approved the application for a loan by the County School Board. The loan, in the amount of $8,225, has been asked of the Community Facilities Administration, a U. S. Government agency which advances funds for planning public construction.

When the loan application is approved by the government agency, it will be used for the planning of a proposed $200,000 addition to Carver-Price School, Negro Elementary and High School in Appomattox.

Congressman Watkins M. Abbitt reported that he was notified before the Congress adjourned that the loan had been granted. County School Superintendent Earl Smith says that he has received no notification of the approval. Abbitt's notification was part of a routine release of news by the Community Facilities Administration, which informs Congressmen concerning loan approvals by schools, municipalities, or other local public agencies for building specific public works.

Rescue Squad Members Qualified To Teach "Self Help" Course

Members of the Appomattox Rescue Squad are now qualified to teach the U. S. Gov't. sponsored Medical Self Help Training Course, according to an announcement last week by Captain Kenneth Jamerson.

The Self Help course is a thorough survey of many aspects of emergency care of individuals and families when no professional help can be obtained.

Capt. Jamerson explained that unlike some "first aid" courses, this course is readily understood and interesting enough to capture the attention of the students taking it.

Endorsed by Local Physicians

All three local physicians who act as medical advisors to the Squad have endorsed the course. Dr. J. A. Mathews has told the Squad that he would like to have this course given in the community wherever possible.

Each lesson is designed to cover a two hour class session, and even an ordinary sized living room can be a satisfactory class room, Jamerson explained.

The course is divided into 12 parts: 1. Radioactive fallout. 2. Hygiene and Sanitation, Vermin Control. 3. Water and Flood. 4. Shock & Bleeding; Bandaging. 6. Artificial Respiration. 7. Fractures and Splints. 8. Transportation of the Injured. 9. Burns. 10 Nursing Care of Sick and Injured. 11. Infant and Child Care 12. Emergency Child Birth.

The course comes in a kit, complete with pamphlets, books, and audiovisual equipment. Interested persons are asked to call Capt. Jamerson any evening after 5 p.m. for further information.

These Squad members have completed the course and are qualified to teach it: John B. Ford, Carroll D. Layne, Jack H. Williams, W. A. Scruggs, D. L. Seamster, J. Ralph Arrington, Samuel E. Dickerson, Leslie A. Tyree Paul O. Doss (Pete) William E. Mann, Richard E. Shelton, Allen E. Franklin, James C. Rogers, Mrs. Peggy W. Rogers.

Jr. Woman's Club Will See Xmas Decorations

The Appomattox Junior Woman's Club will meet Tuesday at 7:30 p.m. at the home of Mrs. S. R. Lawson. Featured speaker will be Mrs. Fred Cawthorne a 4th grade teacher in Lynchburg and active worker in Jr. Woman's club work and Garden Club activities.

"Christmas Ideas" will be presented with emphasis on Holiday decorations.

Hostesses will be Mrs. Clyde Nash, Mrs. Robert Austin, Mrs. Bill Sperry, and Mrs. W. E. Chenault.

Band To Play For Ladies' Game

The Appomattox High School will be out in full force — with drums, horns, and all to salute the first Ladies' Football game of this county! A half - time ceremony is being planned, and to keep everybody warm and full of pep, the band members will sell refreshments.

As one of the Ladies' squad remarked to a TIMES reporter, "When we call for time — we mean time for coffee!"

Christmas Club Checks Are Mailed; Totaling $49,428

Checks Are Yule Business Bonus

A whopping total of $49,428.50 will be mailed out Tuesday to Christmas Club members of the two Appomattox Banks, Farmers National Bank and the Bank of Appomattox.

This is the largest total in the history of Christmas savings in the county, according to Mrs. Emily H. Burke, assistant to the president of the Bank of Appomattox. The total is $9,214.00 over last year's accounts, she said.

On the national level, another all -time record of Christmas Club savings was accomplished by 13,711,000 members of Christmas Club. The average member saved $115.00 each to total a huge Christmas bonanza of $1,573,861,000. (That's one billion 573 million, 861 thousand dollars.)

Edward D. Dorset, President of Christmas Club a Corporation, announced that surveys show that the total will be used not only for Christmas purchases, but for savings and investments for future use, to pay taxes and year end bills.

"Christmas Club has become a part of the American way of life, said Dorset. "It's our proof that in their own small way every man and woman can be a capitalist and decide for himself what he will save and how he will use his savings."

100% Blood Quota Means Coverage For Entire County

If Appomattox meets its quota of 184 pints of blood during the stay of the Red Cross Bloodmobile coming Nov. 30, every resident rates "total coverage."

A quote from the Red Cross information booklet reveals that "Chapters meeting their blood quotas are afforded total coverage for all residents. In chapters not meeting quota, only blood donors, their immediate families, and members of blood donor groups may be covered in times of shortages. A one pint donation protects the donor and his or her immediate family for six months. All gallon and multi gallon donors are protected for the lifetime of the program."

Jim Cobb, county chairman for the Red Cross blood program, has announced that donors can give blood as many as three times a year. Location for the Bloodmobile will be the Liberty Baptist Church. The hours will be 11 a.m. to 5 p.m.

School Holidays

County Superintendent Earl Smith has announced that all county schools will be closed Thursday and Friday, Nov. 22 and 23 for the annual Thanksgiving holidays. They will reopen Monday, Nov 26 at the regular time .

The first deliveries of tree seedlings from the Virginia Division of Forestry to tree nurseries will start Nov. 20. Tree seedlings for reforestation will continue through March, 1963.

Another 4 million seedlings will be planted in Virginia during the planting season, sufficient to reforest 45,000 to 50,000 acres of land.

Species available for planting are loblolly, white, shortleaf, red, and Virginia pine, yellow poplar, may be obtained from any member of the Virginia Division of Forestry, industry foresters, consulting foresters, Soil Conservation Service, county agents, and Agriculture Stabilization Conservation offices.

CONGRESSMAN WATKINS M. ABBITT
Re-Elected To His Ninth Term

Abbitt Attack Deficit Financing

Congressman Watkins M. Abbitt spoke Wednesday night at the Southside Funeral Directors' Association held at the Parkway Rest . . . Abbitt spoke on the dangers of deficit financing in the federal government and the need for an improved and up-to-date tax structure. The largest "off-year" vote in Fourth District history last week will send Abbitt back to Washington for the ninth time. He was first elected to Congress in 1949 following the death of Representative Patrick H. Drewry. Since that time he has been opposed at the polls by only one other candidate, an independent. Forty-two Funeral Directors from Hopewell to Danville comprise the Southside Association.

Jaycees Country Music Contest Tonight

Jaycees promise Country Music at its best in the upcoming COUNTRY MUSIC CONTEST tonight at the AHS auditorium.

The Jaycees learned just this week that Mary Mills, better known as Mary Reed of the "Shenandoah Sweethearts" will also be a judge. "Uncle Joe" Johnson, of WBRG, Lynchburg, and Henry Pulcher of WPLO, Farmville, will complete the trio of judges to listen and award prizes to a large number of top flight country groups.

The STAR DUSTERS from Lynchburg will be here. They include Ray Pillow, Jerry Harvey, Curtis Wooten, Charlie Poston, and Jack Williams.

H. T. Nash Jr.'s Band will perform. Players include Harry L. Nash, Bill Williamson, George Abbitt, and Harold T. Nash, Jr.

Ed Lee Thomas and the DRIFTERS are scheduled to play, as well as Rozer Pillow and his band.

The COUNTRY BOYS from Richmond will entertain. They will be remembered as a "big hit" from last year's show, the Jaycees said. Ryland and G. H. Tennell play in this group.

A. B. Wilmouth and his BEE RIVER are on the program, too, plus James Womack's band with "music like you never heard it before."

The local high school dance band will also entertain.

The PINEY MOUNTAIN BOYS say they're all tuned up for the contest, too. They are a local group with Benny Beale, Duvall Comer, Tom Childress, George Abbitt, and others.

Fun Prizes

Prizes will go to the man with the baldest head — to the youngest married couple present — to the largest family present and to others in special categories.
